

Warranty Registration Card

1. Warranty Registration Terms & Conditions

It is the purchaser's responsibility to complete the warranty registration for spare parts. To validate your warranty service, please fill in all required information completely and accurately and submit this form to Mulsitar Parts.

All original factory nameplates, labels and marking on the spare parts must not be removed, altered, covered or damaged. **Once the parts nameplate or identification labels are torn off, modified or defaced, the warranty service will be invalidated immediately**, regardless of the remaining warranty period. No after-sales warranty support will be provided in such cases.

2. Spare Parts & Application Information (* Required)

Registration Notes & Warranty Disclaimer:

1. All information filled in this form must be true, accurate and complete. This registration form serves as the only valid basis for official spare parts warranty confirmation and after-sales service application.
2. Warranty service will be invalidated for the following situations: overdue registration, damaged/removed/altered parts nameplates or labels, unauthorized modification, improper installation, misuse, and damage caused by human error or non-compliant operating environment.
3. All fields marked with (*) are mandatory. Incomplete or false information will result in unsuccessful warranty activation.
4. provides warranty service only for the supplied spare parts, excluding any labor costs, equipment downtime losses or indirect losses caused by parts failure.
